Cirrus Medical Staffing Makes Inc. Magazine's Annual Exclusive List of America's Fastest-Growing Private Companies—the Inc.500|5000

Cirrus Medical Staffing Ranks No. 4794 on the 2013 Inc. 500|5000 with Three-Year Sales Growth of 41%

NEW YORK, August 22, 2013 -- Inc. magazine today ranked Cirrus Medical Staffing NO. 4794 on its seventh annual Inc. 500|5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Fuhu tops this year's list. Cirrus Medical Staffing joins LivingSocial, Edible Arrangements, CDW and Lifelock, among other prominent brands featured on this year's list.

"It is an honor for Cirrus to be recognized in this manner by Inc. magazine," said Randy Holloran, president of Cirrus Medical Staffing. "We have experienced tremendous growth over the last three years and we expect to continue on this upward trajectory as long as we carry on providing the best staffing services out there."

He added, "Being included in Inc. magazine's list of fastest-growing private companies is a clear indication that we provide the quality service our clients and candidates deserve. In a highly competitive business like ours, it's not easy to meet let alone exceed high expectations the way Cirrus has. We strive for excellence and we will continue to evolve as the industry evolves and provide high-quality value in the marketplace."

In a stagnant economic environment, median growth rate of 2013 Inc. 500|5000 companies is an impressive 142 percent. The companies on this year's list report having created over 520,000 jobs in the past three years, and aggregate revenue among the honorees reached \$241 billion.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/5000.

"Not all the companies in the Inc. 500 | 5000 are in glamorous industries, but in their fields they are as famous as household name companies simply by virtue of being great at what they do. They are the hidden champions of job growth and innovation, the real muscle of the American economy," says Inc. Editor Eric Schurenberg.

Methodology

The 2013 Inc. 500|5000 is ranked according to percentage revenue growth when comparing 2009 to 2012. To qualify, companies must have been founded and generating revenue by March 31, 2009. They had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2012. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2009 is \$100,000; the minimum for 2012 is \$2 million. As always, *Inc.* reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in *Inc.*'s September issue. They represent the top tier of the Inc. 5000, which can be found at www.inc.com/500.
