## NORTH TEXAS LANDSCAPE DESIGN AND INSTALLATION COMPANY PARTNERS ON WEBSITE

Rose Landscapes, a landscape design and installation company serving North Texas, recently partnered with AgniTEK to improve their Search Engine Optimization and internet marketing efforts.

College Station, TX, September 19, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce their partnership with Rose Landscapes, to improve their Search Engine Optimization and internet marketing efforts. Through this partnership, AgniTEK will assist in improving the Rose Landscapes website so that they can better serve their customers.

Rose Landscapes is the best choice for landscape design, landscape irrigation, outdoor living spaces, water features, patios and driveways in and around North Texas. They are a family business that have been operating since 1969. The company was originally started by Carl Rose, but has now been passed down to his son, Chris, who is currently managing projects in and around the North Texas areas including Flower Mound, Lewisville, Argyle, Coppell, Highland Village, Frisco, Plano, Carrollton, Southlake, Colleyville and Grapevine. Rose Landscapes takes pride in the quality of their work and the experience of their workers. If one is looking to turn their backyard into a comfortable living space or needing to update their landscaping in the front yard, Rose Landscapes is the there to help. To learn more about the services that Rose Landscapes provides, visit their website at <http://www.RoseLandscapes.net> today.

The Rose Landscapes website serves as a high-quality online resource that will assist customers in learning all about the services they have to offer. The website features high quality photo galleries to provide visuals of work that they've done previously and can complete the future. It also contains great descriptions on all of the services they provide, testimonials from previous customers, a contact form that enables one to request more information, and a blog. This online resource was made possible by AgniTEK and its associates, who are currently assisting Rose Landscapes in building a strong online presence.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
