Anaheim Marriott Earns Green Leader TripAdvisor Certification

Anaheim hotel receives certificate in recognition of its eco-friendly initiatives

Anaheim, CA – The [Anaheim Marriott](#)'s forward-thinking approach to energy preservation has earned it the prestigious Green Leader Certification from TripAdvisor, the world's largest travel website.

TripAdvisor awards the certificate to hotels that demonstrate marked dedication to promoting environmental sustainability. The hotel near Disneyland Resort implemented numerous environmentally friendly practices that contributed in great part to this success. Among them are:

- All aluminum cans and plastic bottles left in rooms are separated and recycled.
- All notepads in rooms are made from 100 percent recycled materials.
- Sensors on landscape irrigation clocks prevent activation during rain.
- New, efficient cooling units and hot water boilers use less energy.
- Green Linen program gives guests the option of having towels washed upon request or every third day of their stay.
- Hotel is converting all lights to LED.

The Anaheim Marriott is one of only four total hotels in Anaheim, CA, to receive Green Leader Certification. The hotel has a proven track record of making green initiatives a priority and is also the recipient of an Energy Star label from the Environmental Protection Agency in recognition of its successful efforts to reduce the hotel's production of harmful greenhouse gas.

"We are very pleased to have been recognized by TripAdvisor for providing guests with a green, energy-efficient environment," said Director of Sales and Marketing, Dan Shaughnessy. "It has truly been a group effort. From our guests to our staff, everyone has pitched in to make this possible. We look forward to continuing to work as a team to improve our energy conservation practices daily."

In addition to leaving a smaller carbon footprint, guests who choose to stay at the hotel in Anaheim, CA, enjoy luxurious features in spacious accommodations. Guests may book one of 1,030 guest rooms or suites and will sleep soundly on thick mattresses topped with Marriott's signature bedding, crisp linens, custom duvets and soft pillows. Rollaway beds are available for when extra sleeping space is required. TVs include premium channels such as CNN, ESPN and HBO and also offer pay-per-view movies. Business travelers can make use of high-speed Wi-Fi when working on state-of-the-art desks equipped with Plug & Play technology that makes it easy to connect and charge any device.

The Anaheim Convention Center hotel, which boasts 43 meeting rooms with 100,000 square feet of flexible event space, is an ideal venue for the environmentally conscious to book their next business event. At mealtimes, guests can choose from four onsite restaurants, and throughout the day Starbucks offers convenient grab-and-go items.
