WEBITE SOLUTIONS COMPANY ANNOUNCES WEBSITE FOR AUTOMOTIVE PAINT AND BODY REPAIR IN BRYAN/COLLEGE STATION

Krause Paint & Body Shop specializes in automotive paint and body repair in Bryan and College Station, Texas. They recently gained a new online resource that was created by AgniTEK.

College Station, TX, September 25, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for Krause Paint & Body Shop at <http://www.krausepaintandbody.com>. The new website was designed and created by AgniTEK associates and is live on the web.

Krause Paint & Body Shop is committed to excellence and uses this principle in everything they do. Their services include: collision repair, dent repair, automobile body repair, paint & body repair, expert painting and refinishing, precise color matching, insurance claims assistance, warranty on all work, and free estimates. At Krause Paint & Body, their goal is to deliver exactly what they promise; superior equipment, skilled technicians devoted to service and a dedication to doing the right job the first time. To learn more about Krause Paint & Body, visit their website today.

Krause Paint & Body's website features an insurance contact form for the customers after they have completed their claim. There are also testimonials from past customers, photo galleries providing before and after photos of work they've done, and an easy one click email option. Their high quality and easy to access website helps Krause Paint & Body provide their customers with all the information they need to know about the best choice for automotive paint and body repair. All of these features were made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software

application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
