## HUMANITARIAN AWARDS

*Presented to*

*Mr. and Mrs. Paul David "Bono" Hewson*

*In honor and recognition of your dedicated work to*

*Humanity, Society & Environment*

*Presented on this day September 24, 2013*

*Mr. and Mrs. Paul David "Bono" Hewson, thank you for your two decades plus humanitarian and activist work globally and in Africa for fighting extreme poverty and advancing fair trade advocacy. No one needs to question your level of work as a husband and wife team, but clearly your work together have made milestones of positive contributions to humanity and society - you both have put a "sexy" into fighting poverty (no pun intended), as you both have given all common citizen a chance to rethink what change can be possible if every ONE took action. **From the people on the ground - You are True Rock against Poverty Humanitarians.***
