WEBSITE SOLUTIONS COMPANY ANNOUNCES WEBSITE FOR CONSTRUCTION COMPANY IN BRYAN/COLLEGE STATION

Thielemann Construction Company, a custom home building company in Brenham, recently gained a new online resource that was created by the associates at AgniTEK.

College Station, TX, September 26, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for Thielemann Construction Company at <http://www.thielemannhomes.com>. The new website was designed and created by AgniTEK associates and is live on the web.

Thielemann Construction Company is a family-owned and operated company that has maintained 50 years of quality in their service to the community. They focus mainly on residential construction but also do commercial work like office buildings, barns, and metal structures. Thielemann works closely with architects and designers, design-build projects, as well as providing in-house drafting services to give their customers the best service possible. The majority of their business today still comes from word of mouth and repeat business. It is not uncommon for them to build two and three different homes for an individual over their lifetime. At Thielemann Construction Company, they pride themselves on their distinctive and customized work, reliable and personal service, and their quality craftsmanship. To learn more about their services, visit their website today.

The Thielemann Construction Company website features a showcase gallery of the different projects they have completed and homes and properties that are for sale. They also provide an extensive history of the business and personal profiles of each staff member. This clean and professional website sets Thielemann Construction apart from their competitors. All of these features were made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
