

**Iris Data Services adds Client Services Team to Miami Office**  
***Electronic Discovery Company Hires Greg Vaughn to lead Florida Project Management Team***

**MIAMI, September 30, 2013** — Iris Data Services, a leading provider of managed discovery services, announced today it has hired Greg Vaughn, CEDS, to be the senior Project Manager in its Miami, Florida office. Vaughn will lead a project management team servicing Iris clients in Miami, as well as Florida and the surrounding region. Iris Data Services is a leading supplier of discovery solutions including electronic discovery, managed litigation services, and document review technologies such as kCura's Relativity, which includes Relativity Analytics and Relativity Assisted Review.

"Iris has an excellent reputation for client services," said Greg Vaughn, Iris's new Project Manager in Miami. "Iris' team approach to managing a client's needs puts the customer at the center of all account activity."

"Greg Vaughn brings a wealth of industry experience to Iris," said TJ Collins, Vice President of Operations at Iris. "As a Certified Electronic Discovery Specialist, combined with his masters degree in management, Greg is uniquely qualified to lead one of our Project Management teams. We are excited about the leadership he will provide our Miami customers."

#### **About Greg Vaughn**

Vaughn has over 10 years experience in the legal industry. He is a Certified Electronic Discovery Specialist and has worked as a litigation support Industry Consultant and Client Manager. Early in his career, Vaughn was one of the Deputy Attorney General Assistants to the Office of the Attorney General for the State of New Jersey. Vaughn has a Masters degree in Management & Leadership, and a Bachelors degree in Political Science, both from East Stroudsburg University, Pennsylvania.

#### **About Iris**

Iris Data Services is a leading supplier of discovery solutions including electronic discovery, managed litigation services, and document review technologies. Lead by recognized experts in electronic discovery and document review, Iris continually strives to defensibly reduce the amount of reviewable data on every matter. As a Premium Hosting Partner and Certified Reseller of Relativity by kCura, Iris' extensive document review expertise includes complex search consulting, computer-aided review technologies, and experienced attorney review teams. Iris' discovery experts, project management team, and use of technology have combined to make it one of the fastest growing companies in the

The IRIS logo features the word "IRIS" in a white, serif font, with a red swoosh underline that extends to the right.
