

SAGEMCOM™ RECOGNIZES PRESIDIO AS THEIR TOP UNIFIED COMMUNICATIONS PARTNER OF THE YEAR

SAGEMCOM HAS SELECTED PRESIDIO AS THEIR PARTNER OF THE YEAR IN 2012

MONTREAL, Quebec (October 4th, 2013) — Sagemcom, a global leader in advanced fax server solutions for IP networks, is proud to announce that Presidio is the winner of their Partner of the Year Award, in the Unified Communications category. This award recognizes partners and resellers that have demonstrated expertise in the XMediusFAX software and commitment to Sagemcom and our mutual customer base.

Strong partnerships are based on common business goals, close collaboration and the people that hold these values to be true. Presidio has proven to be a true partner on all levels by helping Sagemcom impact the Fax-over-IP (FoIP) community. Sagemcom's XMediusFAX solutions and Presidio's professional and managed services for advanced IT solutions help businesses to have a powerful FoIP platform fully integrated with their Unified Communications environment.

Sagemcom knows the benefits of a strong partnership within the Unified Communications community and Presidio is a natural fit. Sagemcom is proud to support Presidio's collaboration business initiatives by making it a priority to help them grow their businesses, generate new opportunities, reach new customers, increase profitability and maintain a competitive edge within the industry, by being their innovation partner in Fax-over-IP.

"For the first time, we want to recognize and celebrate the achievements of the top Sagemcom partners", said Jean Champagne, General Manager of Sagemcom Canada. "Presidio is an excellent partner for Sagemcom and it's with great pleasure we recognize their efforts through this award."

About Sagemcom

French high-technology group with an international dimension, Sagemcom operates on markets of broadband (digital home, digital set-top box, broadband and residential terminals), telecom and energy (telecommunications infrastructure, smartgrid and metering), and management of documents (printing terminals, software and solutions, digital production workflow). With a turnover of about 1.3 billion Euros, Sagemcom employs 4 600 people on five continents; already a European leader in most of its key markets, Sagemcom aims to become a world leader in high added value communicating terminals. Sagemcom is strongly committed to sustainable development through the life cycle of its products: eco-design, energy consumption, ethical code of all its suppliers.
