### HARTZELL AIR MOVEMENT HIRES INTERNATIONAL SALES EXECUTIVE

**October 3, 2013-** Hartzell Air Movement is pleased to announce that Brian Payne has joined as Vice President of International Sales. Brian Payne has been a consultant to Hartzell since July of 2011 focused on international market penetration. He has also been instrumental in executing market plans in wastewater and marine segments. President of Hartzell Air Movement, Sean Steimle states “Brian offers Hartzell Air Movement the experience and skills needed for the development and expansion of international business.”

Prior to his new position, he worked at Harney Management Partners as a business advisory consultant specializing in sales, marketing, and operational management. Brian Payne has helped middle market companies focus their business and drive them into profitable strategically driven outcome. Brian has also worked with large multinational firms such as Philips, Navistar, and Molex. He brings over 30 years of experience working with domestic and international companies.

Hartzell Air Movement is a leading manufacturer of industrial air moving solutions to a variety of markets throughout the world. The company manufactures in Ohio, Indiana, and Singapore. Hartzell has been in business since 1875.
