## WEBITE SOLUTIONS COMPANY ANNOUNCES WEBSITE FOR PEST CONTROL COMPANY IN BRYAN COLLEGE STATION

Venus Pest Company provides extermination and pest control services to Bryan, College Station, Texas and the surrounding Brazos Valley. They recently gained a web resource that was created by the associates of AgniTEK.

College Station, TX, October 8, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for Venus Pest Company at <http://www.venupest.com>. The new website was designed and created by AgniTEK associates and is live on the web.

Venus Pest Control is your choice of service for pest control problems for the basic pests, but also for mosquitoes, termites and carpenter ants, fire ant, rodent, flea and tick, and aphid and chinch bugs. There is also commercial, rental, one time service, and green options available which gives Venus a very strong presence in the extermination industry. The variety of services offered sets Venus Pest Company apart from their competitors. Every pest control program that Venus utilizes was developed and perfected by the president, who has a PhD in entomology.

The Venus Pest Company website offers a detailed services page, as well as price estimate sheet that you can submit and get a response within one business day. Also on the site there is a detailed FAQs page that answers questions or gives helpful tips regarding pests. On the Contact Us page there is a Request a Quote portal that allows you to submit your problem and receive a quote for their service. Venus Pest Company abides by their ideals of commitment to client service, protecting client health, safeguarding the environment, and serving the community; and with these they have received many

honors and have been featured in magazines for their service. This website and all of its features were made possible by the associates of AgniTEK.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
