# ShareableInk®

IMMEDIATE.ACTIONABLE.EFFORTLESS.

JOIN YOUR PEERS

Shareable Ink makes going electronic immediate, actionable, and effortless. Clinicians use natural input tools (digital pen and paper, iPad), **their forms,** and a powerful cloud-based platform that delivers clinically-rich data. Installed in 136 Hospitals and ASCs across the US with more planned for this year.

1,500 Clinical Users of Shareable Ink

Physicians consistently tell us that they LOVE using Shareable Ink.
What's the difference?

TOP 10 Reasons Leading Organizations Choose Shareable Ink

1) **Experience.** Co-founded by a practicing Anesthesiologist, 1,500 clinical users across 136 live customer installs.

2) **Flexibility.** Make the transition to electronic documentation work for you by using digital pen and paper or iPad.

3) **Productivity.** Maintain your fast, familiar workflows because we use **your forms**. Training is a snap.

4) **Streamline Billing.** Data can be available same day of case, improving revenue cycle management by two days.

5) **Meaningful-Use Certified.** Since 2012, Eligible Providers successfully attested and received monies with our ShareMU program. Hundreds attesting in 2013 with ShareMU.

6) **Portability.** Use it in any environment from hospital to ASC.

7) **Compliance.** 99.8% Complete, accurate and legible documentation according to the standards you set including those of the facilities where you practice and other regulatory bodies.

8) **Analytics.** Integrated analytics provide immediate access to operational, compliance, efficiency and pharmacy reports.

9) **Integration.** Successfully deployed in hospital IT systems, physician billing systems, and national registries, including SCOR.

10) **Hospital IT.** Shareable Ink's zero footprint software is easy on hospital IT departments.
