## WEBITE SOLUTIONS COMPANY ANNOUNCES WEBSITE FOR CATTLE FEED IN BRYAN/COLLEGE STATION

Thomas Moore Feed, a cattle feed company, recently gained a new online resource that was created by the associates at AgniTEK.

College Station, TX, October 10, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for Thomas Moore Feed at <http://www.moorefeed.com>. The new website was designed and created by AgniTEK associates and is live on the web.

Thomas Moore Feed is a family owned and operated company, with over 150 years of farming experience, they are the feed store to trust. Their products include barnyard feed, cattle feed, dog & cat food, fencing, equilibrium minerals, grains & ingredients, horse feed, and wildlife (deer corn). Thomas Moore Feed prides themselves on being the best at what they do, because they make their living off of their land, so their goal is to gain and retain customers. To learn more about Thomas Moore Feed, visit their website today.

The Thomas Moore Feed website provides detailed descriptions of all of the services they offer, whether that be for horse feed or fencing supplies. They have an online order form for dealers, which makes things very quick and easy for dealers in a hurry. There is also a contact form that is available to fill out online, where you can let them know what you are interested in and any comments. Because of these interactive portals and informative pages, Thomas Moore Feed stands out from their competitors. All of these features were made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
