Digiscribe New England Receives BBB Accreditation
Accreditation awarded for meeting established Standards for Trust

Norwood, Massachusetts – October 23, 2013 – [Digiscribe New England](#), one of the most experienced providers of document scanning and [document management services](#) in the New England market, today announces it was awarded Better Business Bureau (BBB) full accreditation. Companies in the United States and Canada are reviewed and monitored for accreditation by the BBB according to the non-profit's Code of Business Practices built on Standards for Trust.

The BBB has recognized Digiscribe New England's commitment to meeting all of their standards including safeguarding privacy, honesty in product and service representation, responsiveness and integrity. This award also acknowledges Digiscribe New England's record of being free of customer complaint patterns and government actions against them.

"Our BBB accreditation validates the high standards we have held our company up to in order to provide quality services and customer support," said Mitch Taube, Digiscribe New England President. Tom Zelif, Digiscribe New England VP Sales, echoed Taube's sentiment, "The BBB has recognized Digiscribe New England's ongoing commitment to sound and fair business practices focused on providing consumers with the best service possible. We are proud to have met the requirements to earn the BBB accreditation."

About Digiscribe New England

Digiscribe New England implements document scanning services and document management software empowering companies, non-profit organizations and medical facilities to automate paper-intensive processes including accounts payable, human resources and customer service. Services can be outsourced to Digiscribe New England's Kodak-Certified processing facility, located just outside of Boston, or provided on-site. Digiscribe New England is a sister company of New York-based Digiscribe International.
