- Instantly reach the right person, right away

Talk

- Faster decision making
- Increased accountability
- Instant conference calling
- no dial-in, no password

Files

- Unlimited file storage
- Share with your whole team or a targeted group
- Import from cloud services

Lua helps teams work better, together.

We empower mobile workforces by giving them access to the people and information they need to get the job done, from anywhere on the planet.

"Lua is what almost every company today is looking for: a faster way to get info so they can get their business done."

Simon Miller,
Shift Supervisor, *eBay Now*

"From a manager's perspective, it's a godsend if you have to manage multiple people and departments."

Brian Basloe
SVP Suites & Ticket Sales, *Barclays Center*
