U.S. News Ranks Marzulla Law Top in Nation for Environmental Litigation

Washington, DC— Marzulla Law, LLC is once again ranked among the top law firms in the country and in Washington, D. C. for environmental litigation in 2014 by *U.S. News and World Report, Best Lawyers*. Nancie Marzulla and Roger Marzulla have also individually been recognized with the *Best Lawyers* designation for 2014 in the fields of environmental litigation and environmental law.

The 2014 Best Law Firms rankings, published today by *U.S. News and World Report*, in partnership with *Best Lawyers*, place Marzulla Law in Tier 1 (top 51 law firms) nationally for environmental litigation. Marzulla Law is also ranked Tier 1 for environmental litigation in the Washington, D.C. metropolitan area. Marzulla Law Managing Partner Nancie Marzulla stated “We are gratified that *U.S. News* and *Best Lawyers* have once again recognized our law firm’s commitment to the highest standards in representing business and landowners in complex environmental law cases in Washington, D.C. and across the country.”

Marzulla Law, LLC was included in the exclusive first-tier ranking for “Litigation – Environmental”—an honor shared by only fifty-one firms nationwide. The first tier in the national ranking consists of firms that score within a specific percentage of the highest scoring firm. The first-tier results are published on *Best Lawyers*’ [website](#). According to *U.S. News and World Report*, “the ranking methodology is based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys in their field, and review of additional information provided by law firms as part of the formal submission process.”

Located in Washington, D.C., Marzulla Law, LLC represents companies and landowners in federal environmental litigation. Marzulla Law also has an extensive practice in the United States Court of Federal Claims and Federal Circuit Court of Appeals litigating takings, contract, and Indian breach-of-trust cases. For more information about Marzulla Law, please visit our website and U.S. Court of Federal Claims Blog at www.marzulla.com and follow us on [Twitter](#).
