WEBSITE SOLUTIONS COMPANY ANNOUNCES WEBSITE FOR ENGINEERING SERVICES IN THE BRAZOS VALLEY

Basis Solutions, LLC is an engineering and product development corporation in Bryan, Texas. They recently gained an online resource that was created by the AgniTEK associates.

College Station, TX, November 5, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for Basis Solutions at <http://www.basis-solutions.com>. The new website was designed and created by AgniTEK associates and is live on the web.

Basis Solutions offers many services that range from creative engineering solutions to prototype development and production. With qualifications and capabilities ranging from mechanical engineering to CAD/CAM and experienced fabrication, Basis Solutions is capable of producing results in a wide variety of applications. They serve their customers through the synergy of three core strengths: innovative design and strong analysis, solid CAD/CAM proficiency, and production capacity. These functions are offered individually or all together for a concept-to-completion project. To learn more about their services, visit their website today.

The Basis Solutions website offers a highly organized and easily navigable way to research the company's core values, which also takes the customer into a more in depth view of the processes and end products. There is a Customer Portal, which is a tool that offers an easy way for the company to share information with their customers in a secure manner. Engineering drawings, documentation, schedules and other information are made available and updated regularly on a project-specific basis. They also have offer a portal that can provide the capability of Online Meetings. This allows the

flexibility for one to be able to complete work from any location. All of these features were made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
