## **COMPASS 4 CUs Vice President Earns NAFCU Certified Compliance Officer (NCCO) Title**

**Woodbridge, VA**, November 7, 2013 – COMPASS 4 CUs Vice President, Kristen Tatlock, earned the National Association of Federal Credit Union's (NAFCU) prestigious Certified Compliance Officer (NCCO) title after successfully passing a series of four examinations.

NAFCU's NCCO program was designed to give credit union experts a solid foundation of compliance issues and a thorough understanding of the rules and regulations that impact credit unions on a daily basis.

"I am thrilled to have successfully completed the rigorous testing for the distinguished and well-respected NCCO designation," stated Tatlock. "The knowledge gained during the course of obtaining the certification will help as I continue striving to provide top notch compliance support for our COMPASS 4 CUs clients."

Tatlock now holds three of the top credit union compliance designations, having previously been named Credit Union Compliance Expert (CUCE) and Bank Secrecy Act Compliance Specialist (BSACS) by the Credit Union National Association (CUNA). "It's important for our staff to acquire and maintain these certifications," said COMPASS President/CEO Gaye DeCesare. "Our clients take comfort in the fact that we do our homework so they can sleep at night."
