WEBSITE SOLUTIONS COMPANY ANNOUNCES ONLINE RESOURCE FOR HAIR STUDIO IN BRYAN/COLLEGE STATION

CatWalk Hair Studio, the leading professional hair salon serving Bryan/College Station, recently gained a new online resource that was created by the associates at AgniTEK.

College Station, TX, November 11, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for CatWalk Hair Studio at <http://www.catwalkbcs.com>. The new website was designed and created by AgniTEK associates and is live on the web.

CatWalk Hair Studio is the leading professional hair salon that serves Bryan/College Station and the Brazos Valley. CatWalk Hair Studio offers haircuts for men, women, and children. They also provide color and highlighting services as well as makeup application. They pride themselves on their individuality and unique atmosphere that treats each client as an individual. Their main goal is to create the image that defines a client's personality, not one that just goes with the recent trends. CatWalk's trained stylists are committed to excellence and continue to develop their skills by learning new techniques. To learn more about CatWalk Hair Salon, visit their website today.

The CatWalk Hair Studio website features an extensive stylist preview page that highlights each of the stylists' credentials. The site also provides easy to use modules that highlight the services they provide along with pricing information. There is also an easy to use contact form that a potential customer can use to ask questions, request an appointment or comment on their experience. All of these features were made possible by AgniTEK and will help CatWalk Hair Studio market their services in a highly organized online resource.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
