

Hosted PBX and Voice Mail

Hosted PBX and Voice Mail solutions to Meet your Needs

Telinta's white label solution for hosted PBX with Voice Mail has the features you need to win and retain enterprise customers. With Telinta, you can provide highly reliable business telephony services that your customers and resellers can rely on. This includes Telinta's Auto-Attendant, Class 5 features, IP Phone profiles to streamline provisioning and more.

TeliCore™ is our robust platform, integrating world-class carrier-grade Switching and Billing capabilities from PortaSwitch, with Telinta's own proprietary enhancements. With Telinta's highly-customizable white label solutions, you and your resellers can offer a full range of VoIP services in addition to hosted PBX, all under your own brand.

- **Cloud-based, rapid deployment, with no capital investment**
- **Best-of-breed PBX technology**
- **Highly stable, scalable and customizable platform**
- **Full portfolio of ready to use turn-key solutions for VoIP service providers**
- **Your own VoIP origination and termination partners**
- **Comprehensive training and Around-The-Clock Technical Support**
