

Tube Traffic Secrets 2.0: Review Examining Jeff Johnson's Video Marketing Course Released

SUMMARY: WealthSpringMarketing.com releases a review of Tube Traffic Secrets 2.0 a newly launched video marketing training course that reveals the secrets to effectively leveraging the marketing power of YouTube.

Tube Traffic Secrets 2.0, which promises to teach Internet marketers how to build their lists and drive traffic to their websites by harnessing the power of the world's second most popular website, YouTube, has just been released to the public spawning a flurry of Tube Traffic Secrets reviews. The buzz surrounding the release of the training course has caught the attention of WealthSpringMarketing.com's Tiffany Hendricks, prompting an investigative review.

"As internet marketers continue to seek out the best sources of targeted traffic for their businesses, many still struggle at how best to approach the traffic megalith that is YouTube," reports Hendricks. "So, when we were informed regarding the release of Jeff Johnson's new Tube Traffic Secrets 2.0 course we were eager to learn more about his tactics, and to report on them for our website visitors."

The Tube Traffic Secrets training course was developed by veteran Internet marketer Jeff Johnson, one of the world's best known thought leaders in the field of online traffic generation. Jeff Johnson's new Tube Traffic Secrets 2.0 program includes all of the newest updated information for effective video marketing in 2013 and beyond. Prior to the release of Tube Traffic Secrets Johnson also posted a series of complimentary training videos on best practices for YouTube marketing, and a free PDF "cheat sheet" revealing 15 of the key factors for video marketing success. As Hendricks explains, YouTube traffic continues to provide high quality targeted traffic, while at the same time delivering attractive ROIs that make the traffic source a no-brainer for marketers at all levels of sophistication:

"Our review shows that the methods taught in Tube Traffic Secrets 2.0 are extremely up to date and are indeed many of the same methods that we use within our own business each and every day," says Hendricks. "However, that's not to say that we didn't learn anything new. Johnson's course provides detailed step-by-step instructions on every aspect of video marketing, from the most effective keyword research strategies, to ranking factors, all the way to proper monetization methods. This is an A to Z training program we are proud to recommend to our readers.
