Tree Lighting

Our community will gather in front of the VNA's stately beech tree on the corner of South Street and James Street in Morristown to participate in the Fourth Annual Tree Lighting Ceremony. This event will honor and remember loved ones that have passed away. **Keynote Speaker: Kate S. Tomlinson, Publisher, New Jersey Monthly.**

Visit our website at vnannj.org and click on Web Memorials to create a meaningful and lasting remembrance to honor your loved one. The opportunity to create a Web Memorial is available throughout the year. Donations support the VNA's programs and services that provide direct care for the community.

Wine Tasting & Reception

Following the Tree Lighting Ceremony, guests will be escorted into the VNA Headquarters for the Wine Tasting & Reception. A unique selection of wines, hors d'oeuvres, silent auction and live entertainment will be provided.

Featured Presenter: Gail Vance Civile, President of Sensory Spectrum, Inc. Gail's presentation will help guests understand how their senses interact with different types of wine, providing guests with an enhanced and unique wine tasting experience.

Wine Tasting provided by the Wine Library.
