When the serenity of beautiful Longboat Key, Florida, is shattered by a murder, and an elderly resident goes missing, Detective Jennifer Diane (J.D.) Duncan leaps into action. Her investigation is temporarily interrupted when she receives a text message with a current photo of a college friend she thought was dead. Matt Royal— J.D.'s friend and more— jumps in to help her. Further assistance comes when Matt's friend Jock Algren visits. Jock is a shadowy operative of the U.S. government's most secretive intelligence agency and has ties all the way to the president.

As the mystery deepens, a group of devious and dangerous characters intrudes on the lives of the islanders, creating havoc unusual for a sun-splashed island full of retirees and beach bums. Matt, J.D., and Jock rush to find the answer to why one old man was killed and another disappeared, the meaning of the photo sent to J.D. of her almost surely-dead college friend, and why somebody is trying to kill them.

**H. Terrell Griffin** is the award winning author of seven Matt Royal mysteries set on Florida's Suncoast. Prior to succumbing to his lifelong yen to write, he earned degrees in history and law from Mercer University and was a board certified civil trial lawyer based in Orlando for thirty-eight years. In his youth, Terry served three years in the U.S. Army, much of it as a medic in an Armored Cavalry regiment on the East German border. He and his wife Jean divide their time between their homes in Maitland and Longboat Key, Florida.

***Found*** is Terry's eighth novel in the Matt Royal mystery-thriller series, set in and around Longboat Key, an island off the southwest coast of Florida. In addition, he was a contributing essayist to ***Thrillers: 100 Must-Reads***.

### **Praise for Terry Griffin and his Matt Royal Series**

"Witty, smart and highly entertaining. An intriguing mix of hopes and fears that combine into a pulse-pounding treat."

—Steve Berry, *New York Times* best-selling author of ***The King's Deception***

"Take a tough female cop, a witty and charming retired lawyer, toss in a host of quirky Floridians, and, oh yeah, a murder that on the surface makes no sense, and you have Terry Griffin's ***Found***. Tightly written and sprinkled with humor, this fun and fast-paced read should not be missed."

—D.P. Lyle, Macavity-winning and Edgar- and Agatha-nominated author of ***Run to Ground***

"Griffin's Matt Royal novels may be the closest approximation we have today to John D. MacDonald in his pulp-fiction prime. Griffin captures the mood and tone of the McGee novels nicely, as the amiable Royal dispatches his adversaries with élan, eager to resume his casually hedonistic lifestyle. Good fun."
