

USC Consulting Group Expands Leadership Team with a New Director of Finance and Strengthens Sales Efforts by Adding a New Sales Executive

New Hires Add Depth and Additional Expertise to Global Operations Management Consulting Firm

TAMPA, FL. November 20, 2013 – [USC Consulting Group](#) (USCCG) has expanded its leadership team by naming a new Director of Finance, Accounting and Administration, as well as hiring a new Account Executive, in order to support the business process improvement needs of their clients.

Chris Zarreke joins USCCG as Director of Finance, Accounting and Administration. Chris brings a wealth of experience as a CPA having worked in Public Accounting at a big 4 firm as well as at the Director/CFO level in the Metals, Paper and Food Distribution sectors.

Jessica Missun brings to USCCG a solid track record and experience in Sales and Business Development from Lockheed Martin and QSSI. She will be based in Denver, CO and will lead the business development efforts for the Western United States.

“The addition of Chris and Jessica are an integral part of our growth plans,” said George Coffey, CO-CEO of USCCG. “Their backgrounds and experience have contributed to positive growth at their previous employers and we are confident that they will do the same here at USC Consulting Group.”

About USC Consulting Group, LLC

USC Consulting Group (USCCG) is an operations management consulting firm helping clients improve financial performance with a focus on operational excellence across the supply chain. Founded in 1968, the firm brings experience, enabling technology, and subject matter expertise to implement solutions, not just recommend them. With offices in the United States and Canada, and projects spread across the globe, USCCG has worked in many industries with companies of all sizes, including many in the Fortune 1000.
