NEW ONLINE RESOURCE LAUNCHED FOR COLLEGE STATION EARLY LEARNING CENTER BY WEBSITE SOLUTIONS COMPANY

Saint Thomas ELC, an early learning center in College Station, recently gained a new online resource that was created by the associates of AgniTEK.

College Station, TX, November 21, 2013— AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a new website for Saint Thomas ELC at <http://www.stthomasehc.org>. The new website was designed and created by AgniTEK associates and is live on the web.

Saint Thomas ELC is an early learning center where young children come to play, learn and explore God's creation with a sense of wonder and excitement. For almost 50 years, St. Thomas has lovingly educated children ages 3 to Kindergarten. Teachers are the heart and soul of an excellent school and the faculty at St. Thomas recognizes the need to inspire, challenge and nurture each child. Saint Thomas ELC considers it their privilege to play a role at the onset of a child's educational journey. St. Thomas offers half day classes to the Beginner and Pre-Kindergarten age levels and offer the option of either half or full days to the Kindergarten age level. They also offer an after school program for students who have completed Kindergarten at St. Thomas on Wednesdays from 3:30 to 5pm, this is called the Encore Program. The students at St. Thomas are given the tools they need to embark on great adventures, to be prepared and ready. To learn more about Saint Thomas ELC and everything they have to offer, visit their website today.

The Saint Thomas ELC website provides a highly organized and efficient way to market what they have to offer to their customers and target market. The website provides admission policies and procedures

as well as online applications to those customers interested in sending their children to St. Thomas. The site also offers the Family Handbook for viewing online so that families know and understand all of their policies and procedures. Current and potential customers also have the option of using the easy to use contact form on the Contact page to leave comments or request information from St. Thomas. These are just a few of the features offered on the Saint Thomas ELC website and it was all made possible by AgniTEK and their associates.
