

## Business VoIP Solutions

### A Full Range of Solutions for your Business Customers

Telinta offers a full range of white label VoIP solutions that enable you to offer the business telephony services you need to win and retain enterprise customers. This includes a full range of Class 5 features, Voice Mail, Hosted PBX, SIP Trunking, Call Centers, Audio Conferencing and more. With Telinta, you can select the highly scalable cloud-based solutions you need to serve any size business customer, with offices or work-at-home employees anywhere in the world.

TeliCore™ is our robust carrier-grade platform, integrating Telinta's cutting-edge VoIP solutions with world-class Switching and Billing capabilities from PortaSwitch. With Telinta's highly-customizable white label solutions, you and your resellers can offer a full range of services in addition to Business VoIP, all under your own brand.

- **Cloud-based, rapid deployment, no capital investment**
- **Ready to use turn-key VoIP solution**
- **Best-of-breed VoIP technology**
- **Highly stable, scalable and customizable**
- **Your own VoIP termination and origination partners**
- **Comprehensive training and Around-The-Clock Technical Support**
