The Conference Services Department must be notified of the guaranteed number of guests attending the function(s) 72 hours prior to the event date (excluding weekends and holidays). This guaranteed number will be the minimum number to be charged. Should guaranteed numbers not be received, the hotel reserves the right to charge for the original numbers quoted.

Should the number of guests attending the function differ greatly from the original contracted number, the hotel reserves the right to provide an alternate room best suited for the group's size.

Last call for bar service in the function rooms is 12:30 a.m. with all entertainment and bar service ending at 1:00am and the function room vacant by 1:30 a.m.
