WEBSITE SOLUTIONS COMPANY ANNOUNCES WEBSITE FOR YOUTH LIVESTOCK ASSOCIATION IN BRAZOS VALLEY

Brazos County Youth Livestock Association located in Bryan, Texas recently gained an online resource that was created by AgniTEK.

College Station, TX, December 16, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for Brazos County Youth Livestock Association at <http://www.bcyla.net>. The new website was designed and created by the associates at AgniTEK and is live on the web.

The Brazos County Youth Livestock Association is committed to educating the youth of Brazos County with an emphasis on agriculture. Their yearly show provides the youth with an opportunity to show their animals and sell them at the auction. The BCYLA annual show offers a variety of different categories where a contestant can enter to try and earn money, scholarships, and prizes. To learn more about Brazos County Youth Livestock Association, visit their website today.

The BCYLA website contains detailed by-laws that are constantly updated and available so that viewers can gain information on how the organization functions. There are also lists of previous year's winners as well as a photo gallery containing images of past shows and competitors. A unique aspect available on the BCYLA website is the committee page, where prospective committee members can fill out a form requesting which of the 17 committees they would like to be a part of and submit it directly to the board. All of these features were made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software

application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
