

## **IGXE Launches Latest Offers on World of Warcraft Gold and CD Keys**

*IGXE has been functioning since 2004 and delivering MMORPG services, CD keys, in-game gold, and everything that the gaming enthusiasts need.*

USA ([PRWEB](#)) December 27, 2013 -- IGXE offers unmatched in-game services for everyone's gaming needs, which include the World of Warcraft handwork Gold delivery that's completed instantly, and now it has even added CD keys, Wow gold, and few more in-game goodies.

As a MMORPG service provider, IGXE sells game gold, items, power levels and CD keys. The company delivers speedy yet affordable services.

IGXE trades virtual goods for online games like World of Warcraft, and it is one of the largest platforms of its kind. One of its most popular services is in-game gold for games like WoW. Power leveling, collectibles and items for the game are also among the most solicited services. The company has been providing these for 7 years already and its success is a result of hard work. Currently, it's offering some special deals for the festive season.

More than 100,000 members enjoy the IGXE services at the moment. The way these members are served has always been the top-most priority of the company. The [World of Warcraft Gold](#) delivered by the company is 100% handwork gold.

This means that it is coming from supplier player handwork and not from cheats or bots. Delivery is instant and, should there be a delay, the customer is entitled to receive compensation.
