# WASHSMART

## PRODUCT SPECIFICATIONS

Type of appliance	22LB WashSmart Washer
Model no.	WA4127G1
UMRP	\$799
Capacity	4.1 cu ft (DOE)
SKU	96212
UPC	822843962129
Dimensions	
Height	42" – 43"
Height (lid open)	56 5/8" – 57 7/8"
Width	27"
Depth	29"

## FEATURES / BENEFITS

SmartDrive™ Technology	A set of mechanical and electronic parts including a Direct Drive Motor, Floating Basket and Motor Controller, form a mechanically simple washer that can sense and respond to each and every clothes load. Providing better clothes care with a flexible finned agitator and better reliability with no belts, pulleys, gearboxes, clutches or brakes.
22 LB Capacity	With Its 22Lb dry load capacity, it is large enough to wash all your family's washing quickly and efficiently. Infinite water level sensing means it can wash both small loads and large loads extremely efficiently.
SmartTouch™ Controls	The SmartTouch™ Controls gives you the choice of 6 pre-programmed cycles; Regular, Heavy, Delicate, Easy Iron, Allergy, and Quick. This machine lets you choose the water level you want or it will do it for you. Soak, Softener, Bleach options allow you take control when you want to.
Soft Close Steel Lid	The durable soft- close steel lid is made of powder coated steel that won't chip and is resistant to chemical corrosion. Opening and closing is counter balanced to deliver better ergonomics and hands free operation.
Eco-Active™ Wash	A small volume of warm sudsy water is re-circulated through the clothes in a cascade effect. Then it tops up with cool water to finish the wash, boosting soil removal and accelerating the wash process. It is Energy Star qualified, achieving Tier 1 of Consortium of Energy Efficiency scheme.
Quiet Operation	Designed for quietness with pressed forms on the cabinet, polypropylene insulating base and sound deadening pads. Less than 50dBA sound during the wash and 64dBA when spinning at 1100rpm, allowing you to wash day or night without disturbing those around you.
1100rpm Spin	With a maximum spin speed of 1100rpm spin, a substantial 386g force, these washers remove more water from your clothes so they take far less time to dry.
