### **EcoPowerSupplies Provides 10% Public Sector Discount on Eaton UPS**

**EcoPowerSupplies has released a special incentive targeted at the UK public sector market for Uninterruptible Power Supplies. Up to 31<sup>st</sup> March 2014 the company is offering public sector clients an extra 10% discount on its range of award-winning Eaton UPS systems.**

The specific Eaton UPS included within the 10% discount promotion include the Ellipse Pro, 5P, 5Px, 9PX and recently launched Eaton 93PM modular UPS system. With UPS sizes from 650VA to 200kW, EcoPowerSupplies clients can protect a wide range of applications from individual PCs and file servers, to complete comms rooms and data centres.

The special discount is an incentive for public sector clients including hospitals, councils, local government departments, schools, colleges and libraries to invest in Eaton Power Quality systems and experience the industry leading levels of service EcoPowerSupplies has become known for.

“We recently launched the Eaton 93PM UPS and this was well received by our UK public sector clients especially,” commented Robin Koffler of EcoPowerSupplies. “This latest promotion in conjunction with Eaton UPS, further underlines our commitment to the UK market. The 10% offer can also be added to the existing free Eaton PDU promotion we are running alongside the 5PX and 9PX UPS to deliver even greater value for our clients.”

To claim the 10% discount public sector clients can open an on-line account on the EcoPowerSupplies website and use the promotional code “EATON10” during the checkout process. Alternatively, they can contact EcoPowerSupplies for a formal quotation, which will include a 10% discount as standard.

All the UPS included within the promotion can be viewed on-line at the EcoPowerSupplies website within the Eaton UPS systems collection - <http://www.ecopowersupplies.com/eaton-ups>.
