**About the Preventing Colorectal Cancer *Champion Award of Colorectal Cancer Prevention*:**

Preventing Colorectal Cancer is seeking nominations for the fourth annual ***Champion Award*** to recognize individuals, groups and companies that provide either exceptionally high standards of care or who most effectively advocate for the prevention and early detection of colorectal cancer.

**Eligibility Requirements:**

The recipients of the individual/group practice award must:

- Maintain a facility that offers the highest level of quality care and support. Must be able to provide proof of the following credentials (as well as provide third party attestation of superior quality care).

The recipients of the advocate individual/group award must:

- Qualify as an individual or group that has acted as an effective advocate for the prevention and early detection of colorectal cancer by taking part in educational activities, fundraising efforts, or lobbying in favor of increased screening and/or research.
- Represent a company that has provided support to our mission statement: *To educate the public and key stakeholders about the opportunities to reduce the incidence of colorectal cancer through maintaining screening and care options for patients and their clinicians.*
