

# Online Marketing Business in Atlanta Revamp Strategies, LLC Now Offers Online Directories Listing

---

Revamp Strategies, LLC, an [online marketing business in Atlanta](#), has just announced that they are now offering Local Online Directories Listing and Reputation Management services. In addition, the company is preparing to launch a free ebook – “Creative Marketing Tactics,” that will be available through their website.

Since the day Revamp Strategies, LLC opened for business, they have strived to provide their customers with a winning combination of innovative marketing solutions. The company, which also offers a host of online marketing services, including professional press release writing services, has earned a well-deserved reputation for helping small and mid size business reach as many potential targeted clients as possible. Now, with the addition of their [online directories management solutions for local business](#), Revamp Strategies, LLC is ready, willing and able to help even more clients reach targeted customers in their neighborhoods. The new internet marketing solutions include local content management, guaranteed presence on more than 50 plus local online directories, and review monitoring.

“Our network has more than 50 local search engines, mobile apps, and mapping sites including Google, Bing, Yahoo!, Yelp, SuperPages, Facebook, Foursquare, Topix, Cricket, Showmelocal, and more,” an article on the Revamp Strategies, LLC website noted, that adding these enhanced listings will help businesses to stand out from the competition.

“Get listed across our network by entering your information once. We also include more than 15 mobile apps, so your customers can find your business from wherever and whatever they might be searching from.”

Another way that Revamp Strategies, LLC can help their clients succeed is through an extremely targeted and effective [Gorilla Ad Campaign for small and mid size business](#) owners. This customized service targets their client’s competitors, and is designed to redirect targeted traffic away from their site. In other words, Revamp Strategies’ clients will gain targeted traffic from their competitors, giving their business the ultimate edge.

Anybody who is interested in learning more about Revamp Strategies, LLC is welcome to visit their user-friendly website at any time; there, they can read about the new local online directory listing and reputation management service, as well as their [customized online marketing solutions](#) that will help to save both time and money. The site also features testimonials from some of the many happy clients who have worked with the company.

“After utilizing the services of Revamp Strategies, we noticed a significant peak in our website activity and conversion rates,” wrote Kat Long, CEO of Brenash-Derian, Inc. in her review.

“As long as we run our campaigns with them, the bulk of our new web activity can be attributed to them. They are knowledgeable about the marketplace, and learned our needs and goals quickly but thoroughly.”
