

# 10

## Reasons Why AZ Spring Break is the Place to Party

1

### It's an easy road trip from your campus.

AZ Spring Break headquarters in Lake Havasu City is easily accessible from neighboring states like California, Nevada, Utah, Colorado and New Mexico. More than 8 states are only a day's drive from London Bridge Resort!

2

### No shirt, no shoes, no problem.

When you choose AZ Spring Break, you'll have the perfect setting to kick off your shoes and enjoy the sun on your shoulders. Whether you're playing on the beach, exploring the resort or grabbing a bite to eat, a bathing suit is as dressy as it gets.

3

### Lake Havasu has 300 sunny days per year.

Wear your shades and suntan lotion, because Lake Havasu gets more than its fair share of sunny days! Whether you're enjoying the sun poolside, lakeside or from the water, you'll soak up some vitamin D.

4

### Enjoy ultimate water sports on the lake.

From Jet Skiing and water skiing, to canoeing and kayaking, there's something fun for everyone on Lake Havasu. Water sports on Lake Havasu can keep you cool and take you across the state line to California!

5

### There's no chance of a shark attack here.

Unlike many Spring Break destinations, AZ Spring Break is 100% shark-free (unless you count your Party Shark discount card – see # 8)! Make your Spring Break swim worry-free when you dive into Lake Havasu!

6

### Win big at tons of contests and events.

Have you ever entered a frozen t-shirt contest? Well, at AZ Spring Break, you can compete in lots of exciting contests and giveaways found only at Spring Break. Remember: what happens at AZ, stays at AZ!

7

### Chill in affordable and comfortable suites.

There's room for up to six Spring Breakers in the hotel suites at London Bridge Resort! With three swimming pools, a splash pool and waterslide, on-site and nearby restaurants, and more, you'll love to stay here. [Check out our affordable Spring Break Packages!](#)

8

### Save big with the Party Shark Card.

Every AZ Spring Break Package includes a Party Shark Card, which offers free cover and line privileges at Kokomo Havasu, discounts at on-site and area restaurants, free swag and more.

9

### Even our nightclub has a pool.

Visit Kokomo Havasu Beach, Surf & Party Bar for the ultimate Spring Break nightclub experience. When you're done dancing on the pool deck, you can simply hop in the pool for a game of volleyball while the party continues!

10

### Make moves on the Wet Dance Floor.

Speaking of the party, when you dance on the world-famous Wet Dance Floor at Kokomo Havasu, you'll dance with a waterfall overhead and a sparkling pool below!
