

## **Spence-Chapin Hosts Adoption Open House – February 20, 2014**

*New York, NY – February 13, 2014* – Spence-Chapin will hold an adoption open house Thursday, February 20, 2014 for any one interested in learning more about adoption in the 21<sup>st</sup> century. The open house, at 410 East 92<sup>nd</sup> Street, begins 5:30pm and continues to 7:30pm.

Whether you've just started considering growing your family or you're already part of the adoption community, we'll give you a deeper understanding of the need, and how we're supporting families who join us on the journey.

This event is helpful for people who want to adopt or who are simply contemplating adoption. It's completely normal for prospective adopters to have many questions and this is an opportunity to find answers. Adoption is a lifelong commitment and is about providing a child in care, who cannot return home, with a permanent and secure family. Anyone can be considered - people on their own or in a relationship, working or not working, regardless of their race, religion, sexual orientation or financial situation.
