BODY CARE AND AROMATHERAPY

LOUD OIL BODY LOTION

This rich yet light moisturiser hydrates and softens skin special with easy glide-on texture. One of the important ingredients is rice, which is anti-oxidant high in GABA, acts as an emulsifier in the lotion resulting in the smoothness of it. While applying it, it calms your skin with the function of anti-aging of the rice. Does not leave white stain on your skin as it facilitates the moisturiser absorbance into the skin.

LOUD OIL SHOWER GEL

Cleanse your body with Oud Oil Shower Gel and experience the superior sensation of the smoothness of the gel together with the soft gold Vitamin E balls. We choose natural mild surfactant in Coco that is not harsh to your skin as it does not rinse out the moisturiser in the shower gel. The gold Vitamin E balls are easy to be blended on the desired skin area leaving the skin smooth and beautifully scented.

LOUD OIL BODY BUTTER

The lecithin selected is natural content from soy beans and sunflower, most similar to human skin moisturiser in Lipids form. Oud oil body butter contains Phosphatidylcholine, the main agent that transits essential Choline to cell membrane to maintain the skin flexibility to make it look young as you have always desired.

AGARWOOD INCENSE STICK

The pleasing aroma of agarwood incense will keep you relaxed and relieve you from stress, taking you away with the charming scent.
