

DiSC®: The Universal Language of Behavior and Emotions

“DiSC® assessments have helped more than 40 million people increase their job satisfaction, improve job performance, communicate more effectively, and appreciate the benefits of workplace diversity.”

DiSC® assessments can help all professionals:

- ★ Understand their own behavior
- ★ Learn how and when to adapt their behavior
- ★ Improve communication
- ★ Promote appreciation of differences
- ★ Enhance individual and team performance
- ★ Reduce conflict

DiSC® assessments have also been proven to help sales and customer service professionals:

- ★ Create and maintain relationship-based sales
- ★ Identify their customers' DiSC styles and adapt their selling or support styles accordingly
- ★ Stay focused on customer needs
- ★ Manage difficult customer service situations

- ★ Takes only 10-15 minutes
- ★ Complete behavioral profile
- ★ Personalized 50+ page report
- ★ Visa, M/C, AmEx, Discover, PayPal or Check
- ★ Only \$99
