

# 8th Refining China Conference

2-3 April 2014  
Regent Hotel, Beijing

REFINING CHINA is the longest established international conference dedicated to refining technology, with the aim of bringing together Chinese and international refining industry companies. It is organised by Crambeth Allen, publishers of *Hydrocarbon China* and *PTQ*, with the support of the China Petrochemical Press of Sinopec, who are responsible for the invitation of delegates not only from Sinopec but also PetroChina and CNOOC.

## KEYNOTE SPEAKERS

- ZHAO JUNGUI, Vice President and Secretary-General, China Petroleum and Chemical Industry Federation
- CAO XIANGHONG, President, Chemical Industry & Engineering Society of China, and Sinopec Senior Consultant
- HE SHENGBAO, Deputy Director, Science & Technology, CNPC Refinery
- HUA WEI, Vice President and Chief Engineer, Sinopec Yanshan Petrochemical
- JIN CHAOKUAN, Vice President, West Pacific Petrochemical Company
- HUANG ZIYOU, Vice President, CNOOC Ningbo Daxie Petrochemical Company
- ZHANG CHUNSHENG, Vice President, Sinopec Jinling Petrochemical Company

Supporters:

## Companies you would have had the opportunity to meet at previous Refining China conferences

- BlueStar Petroleum Jinan Company
- Changchun Xinda Petroleum Group Nongan Petrochemical Company
- China Huanqiu Contracting & Engineering Corp
- China National Petroleum & Chemical Planning Institute
- China Petroleum Engineering Co Ltd Fushun Company
- China Petroleum University Heavy Oil Research Lab
- CNOOC Huizhou Refinery
- CNPC Daqing Petrochemical Company
- CNPC Fushun Petrochemical Company
- CNPC International Company Niger Refining
- CNPC Jilin Petrochemical Company
- CNPC Jinzhou Petrochemical Company
- CNPC Kelamayi Petrochemical Company
- CNPC Lanzhou Petrochemical Research Institute
- CNPC Liaohe Petrochemical Company
- CPECC East-China Design Branch
- Daqing Petrochemical Engineering Company
- Economics & Development Research Institute of Sinopec
- Fushun Petrochemical Research Institute
- Luoyang Petrochemical Engineering Corp of Sinopec
- Luoyang Weida Petrochemical Engineering
- PetroChina East China Investigation & Design Institute
- PetroChina Sudan Khartoum Refinery
- PetroChina Jinxi Petrochemical Company
- PetroChina Liaohe Petrochemical Company
- PetroChina Liaoyang Petrochemical Company Research Institute
- PetroChina North-East Refining and Petrochemical Company
- PetroChina Petrochemical Research Institute
- PetroChina Planning and Engineering Institute
- PetroChina Tarim Oilfield Petrochemical Company
- Shandong Hengyuan Petrochemical Company
- Shanxi Research Design Institute of Petroleum and Chemical Industry
- Shanxi Yanchang Petroleum Group Yongping Refinery
- Shanxi Yanchang Petroleum Group Yulin Refinery
- Shanghai Jiuyuan Petrochemical Company
- Sinochem Oil and Gas Development Centre
- Sinopec Anqing Company
- Sinopec Beijing Yanshan Petrochemical Company
- Sinopec Changling Refining
- Sinopec Development & Planning Department
- Sinopec Engineering Incorporation
- Sinopec Fushun Petrochemical Research Institute
- Sinopec Hainan Refining & Petrochemical Company
- Sinopec Jilin
- Sinopec Jinan Company
- Sinopec Jingmen Company
- Sinopec Jinling Company
- Sinopec Jiujiang Company
- Sinopec Luoyang Company
- Sinopec Managers Training Institute
- Sinopec Nanjing Project Management Centre
- Sinopec Ningbo Engineering Company
- Sinopec Qingdao Petrochemical Company
- Sinopec Qingdao Safety Engineering Research Institute
- Sinopec Shanghai Engineering Company
- Sinopec Shanghai Gaoqiao Company
- Sinopec Shanghai GPC Oil Refining Division
- Sinopec Tianjing Company
- Sinopec Wuhan Company Technology Department
- Sinopec Yangzi Petrochemical Company
- Sinopec Zhongyuan Oilfield Petrochemical Plant

### DAY ONE

**0900** Chairman's Welcome  
*Wang Zikang, President, China Petrochemical Press*

**0915** Opening Address  
*Zhao Jungui, Vice President and Secretary-General, China Petroleum and Chemical Industry Federation*

**0930** Construction of safe and reliable environmental protection in refining and petrochemical enterprises  
*Cao Xianghong, President, Chemical Industry & Engineering Society of China*

**1000** Environmental technologies for refinery applications  
*Zhiguo Hou, Global Licensing Director, China Region, ExxonMobil Research and Engineering Company*

**1030** Coffee: sponsored by ExxonMobil

**1115** Asian and China refining and product demand outlook  
*David Jiang, President, IHS and Sinodata Consulting*

**1145** The green low-carbon path for petroleum refining  
*Hua Wei, Vice President & Chief Engineer, Sinopec Yanshan Petrochemical*

**1215** Achieving clean and environmentally friendly refining and petrochemical production by implementing the strategy of green and low carbon  
*Zhang Chunsheng, Vice President, Sinopec Jinling Petrochemical Company*

**1245** Lunch: sponsored by ExxonMobil

**1430** Journey towards ULSD: experience and learning  
*Senior Representative, Criterion*

**1500** Presentation: Zhepeng Liu, Licensing Manager, GTC Technology

**1530** Presentation: Cat Tech

**1600** Tea: sponsored by ExxonMobil

**1645** Innovative solutions in steam reforming and gas flaring recovery and skid mounted design for sulphur recovery facilities  
*Antonio Salati, Business Development Project Coordinator Technology & Business Development Department, Kinetics Technology*

**1715** Improving the performance of the refineries with automation enhancements  
*Murali Krishnan T, Director, Industry Business Development & Marketing, Emerson Process Management Asia Pacific Pte*

**DAY TWO**

**0900** Chairman's Remarks

**0915** CNPC green and clean production technology  
*He Shengbao, Deputy Director, Science & Technology Department, China National Petroleum Corporation (CNPC)*

**0945** Air products  
*Philip Morris, Global Refining and Fuels Marketing Manager, Air Products*

**1015** Establishment and perfection of rotating equipments monitoring and early warning mechanism in refining and petrochemical enterprises  
*Huang Ziyou, Vice President, CNOOC Ningbo Daxie Petrochemical Company*

**1045** Coffee: sponsored by ExxonMobil

**1115** Advanced gas/solid separation solution for refineries  
*Senior Representative, Purolator Advanced Filtration*

**1145** Application of catalyst additives for FCC unit SOx & NOx emissions control  
*Martin Evans, Vice President, Engineering Technical Services, Johnson Matthey Process Technologies*

**1215** Safe operating of refining and petrochemical equipment inside its residual life  
*Jin Chaokuan, Vice President, West Pacific Petrochemical Company*

**1245** End of conference and Lunch

国际炼油技术进展交流会  
**REFINING CHINA 2014**  
2 – 3 APRIL 2014 BEIJING

**BOOKING FORM**

**8th Refining China Conference  
Regent Hotel, Beijing, 2-3 April 2014**

Please make a reservation for the following delegate:  
(photocopy for multiple applications)

Given Name(s)

Family Name

Position

Company

VAT number (EU companies only)

Address

Town, Postcode and Country

Telephone

Fax

Email

For bookings received before 13 March 2014 Individual delegate fee €1000. A late booking supplement of €200 per delegate will apply to all bookings received after 13 March 2014

EU companies should quote their VAT numbers, failing which we shall apply 17.5% VAT, except UK companies which shall have 20% VAT applied in all cases

I wish to pay by:  MASTERCARD  VISA

Cardholder's Name

Card Number

Expiry Date  Security No. (last 3 digits on back of card)

Signature

**EASY WAYS TO BOOK**

**Online**

[www.refiningchina.com](http://www.refiningchina.com)  
Provides the opportunity to pay on invoice as well as by credit card

**Fax**

Complete and return this form to:  
Fax +44 844 5888 667

**Mail**

Complete and return this form to the organiser's address shown below

**Sponsorship**

A limited number of sponsorship opportunities are available. If your company is interested, you should contact us for more information as soon as possible.

**Multiple delegates**

A 10% discount is available to companies sending four or more delegates. This applies to early registrations only.

**Accommodation**

We have secured preferential rates at the conference hotel, the Regent Hotel, 99 Jin Bao Street, Dong Cheng District, Beijing 100005.  
Download a reservation form at [www.refiningchina.com](http://www.refiningchina.com)

**Visas**

Our partners in China have kindly offered to issue official invitations to delegates requiring such invitations to obtain business visas. Please provide passport details and preferred dates of stay in China if you wish to take advantage of this offer.
