## 2013 – Year in Review

**1 million** miles were traveled by Pegasus buses in 2013.

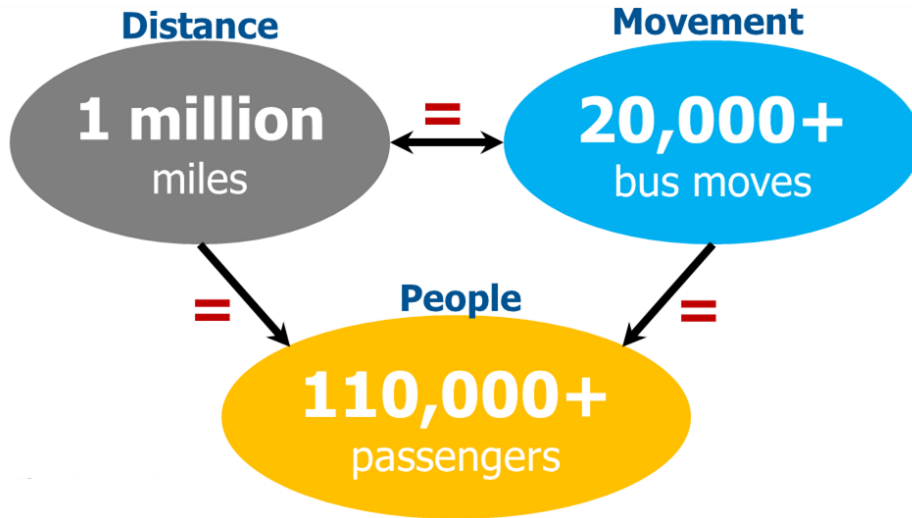

2013 has been quite eventful, so here is a fun visual recap of what happened at Pegasus over the year. We hope you enjoy!

### WHERE CAN 1,000,000 MILES TAKE YOU?

That is a great distance over the year and the best part? We have onsite maintenance to make sure each of our 25 buses is in TIP-TOP shape to make all those trips!

**LET'S TRANSLATE THE DISTANCE INTO DIFFERENT METRICS!**

**That Means We Transported Equal To:**

- The **WHOLE** population of Montego Bay, Jamaica
- The **WHOLE** population of Miami Beach, FL
- **4x** the population of Key West, FL
- **13x** the population of Aspen, CO

**Where Did They Go?**

There were plenty of unique activities to do this year, and we were the transportation for many!

## Where Did They Go? – The Parks!

We also cannot forget the theme parks that we take many travelers to here in Florida!

FOR ALL THOSE TRIPS, **PEGASUS** USES A LATE-MODEL EUROPEAN BUS FLEET:

- 1 Our fleet made up of **25 motor coaches**
- 2 **4G Wi-Fi** in ALL of our buses!
- 3 **GPS Tracking** for ALL of our buses as well.
- 4 We continue our **GREEN** initiatives!
