## Enabled by Intel® Atom™ Tablets for Windows\* 8.1

In the battle to save the universe, only one side will emerge victorious. Will it be the greedy humans, ready to upset the balance between the mortal and immortal? Or, will it be the powerful team comprised of angels and demons? Windows\* tablet users can now join the fight when they assume the role of an angel in the game SoulCraft.

Optimized for Intel® Atom™ tablets for Windows\* 8.1, SoulCraft allows the player to continue the adventure, even while on the go.

SoulCraft game features:

- Action-packed, role-playing adventure with bold graphics
- Five differing gameplay modes that feature real locations
- Diverse enemies, weapons and challenges
