

2 DEMENTIA SEMINARS

with **TEEPA SNOW**, MS, OTR/L, FAOTA

TUESDAY, MARCH 25, 2014

9am - 12pm (Frontotemporal Dementias)

1pm - 4pm (Improving Hospital Stays)

FRONTOTEMPORAL DEMENTIAS

Learn with Teepa Snow about

- the various forms of FTDs
- specific and distinguished characteristics of some of the more common forms of FTDs
- how to notice early signs of changes in cognition and behavior *not* consistent with normal aging
- how to change your care and expectations for each condition
- being better care advocates and partners for people with FTD

Admission: \$30 (includes breakfast and 3 CEUs for NHAs, RNs, LPNs, ARNPs, and SWs)

IMPROVING HOSPITAL STAYS FOR PEOPLE WITH DEMENTIA

Hospitalizations have been identified as 'high risk' for people with dementia. To significantly increase positive outcomes and quality of care, learn about

- the unique challenges and risks involved with hospitalizing a person with dementia
- effective strategies for screening, assessing, and treating people with dementia with the least number of unintended side effects and negative outcomes

Admission: \$30 (includes lunch and 3 CEUs for NHAs, RNs, LPNs, ARNPs, and SWs)

Join us for *both* seminars for a reduced rate of **\$45!**

Seating is limited. Get your ticket today at

www.dementiaseminars.eventbrite.com

or call JoAnn Westbrook at 941.365.0250, Ext. 1114.

Please note: These seminars will be filmed and attendees will be required to sign a release form before entering the classroom.
Pines of Sarasota • Cullers Hall (Administration Bldg.) • 1501 N. Orange Ave. • Sarasota, FL 34236

A special **THANK YOU** to the **Koski Family Foundation** for enabling us to film this program, and help improve the lives of thousands of people affected by dementia worldwide.
