

American Society of Legal Scholars

Justice through Education and Service

Programs

Impact the Youth with Law

This exciting seminar series is for youths between ages 13-18 with an interest in government or law. The Legal Scholars created a dynamic and fun curriculum that not only gives a new look at law but also empowers students to embark on a career in the legal industry. With presentations by top Bay Area lawyers, Legal Scholars is thrilled to offer this seminar series throughout California school districts and youth groups.

Highlights:

- Interactive learning environment
- Education packet for all participants
- Q&A session

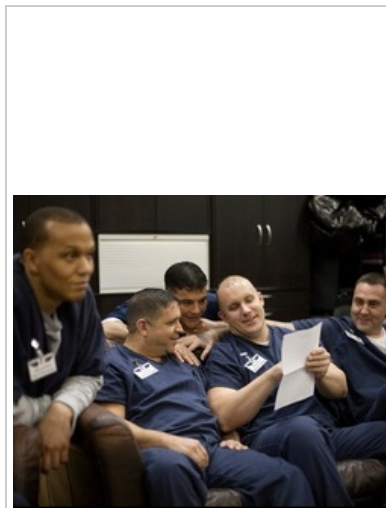

Understand Your Rights

This powerful workshop is customized to immigrants, workers, or renters who wish to learn more about the law's protections and limits. The workshop is facilitated by passionate legal scholars who inspire attendees with insights and compelling stories to strengthen knowledge and create new opportunities.

Highlights:

- Seminar on planned topic(s)
- Educational pamphlet with key points from lecture
- Q&A session

Legal Empowerment 101

This unique workshop is for those seeking to understand the legal research and writing process to aid in pursuing a legal claim or defending a civil or criminal case. Legal Scholars continues to pave the way for people who do not have adequate means to obtain legal assistance. We hope to empower individuals with the tools necessary to enforce their rights.

Highlights:

- Educational seminar on scheduled legal research or other topic(s)
- Educational packet with key points from lecture
- Writing assignments with follow-up assessment and feedback from teacher
- Q&A session
