Community College Cyber Summit

Celebrating Success:
Community Colleges in Cybersecurity Education
July 21 & 22, 2014

Moraine Valley Community College • Palos Hills, IL

Not just another *typical* conference…

- 3CS is the ONLY national academic conference focused exclusively on cybersecurity education in community colleges.
- 3CS offers advanced technical workshops strictly for community college faculty.
- 3CS highlights innovations within & outside classrooms that colleges can adopt to strengthen programs.
- 3CS presents new research opportunities on cybersecurity education.
- 3CS is tied-in with HI-TEC (www.highimpact-tec.org)

And… 3CS will host STUDENT PRESENTATIONS!

Who should attend…

- Faculty and administrators from CAE2Y's
- Community college faculty who attended:
    - NIST-NICE
    - Colloquium
    - CAE PI Conferences
- Community college faculty who are or would like to become involved in cybersecurity education
- Decision makers in both the public and private sectors who influence community college cybersecurity programs
- Student presenters and attendees
