

the Mia 
MY BEAUTY...IN THE PALM OF MY HAND.

The only protective phone case that is specifically designed to securely, conveniently, and compactly conceal personal Make-Up essentials.

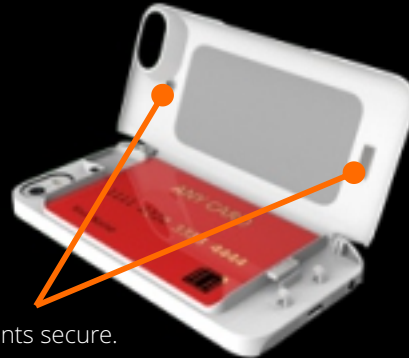

The Mia is the only phone case that helps a woman look her best, anywhere, anytime.

Beautiful and feature rich.

0.5mm safety edging allows phone to be placed faced down without scratching screen surface.

Brilliant UV gloss coating for added protection and beauty.

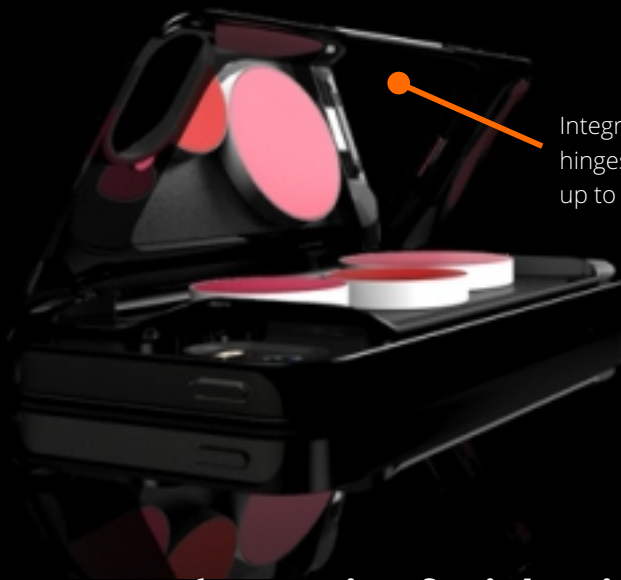

Magnetic closures keep contents secure.

Includes compact applicators that clip securely inside case.

Integrated mirror with friction hinges holds mirror at any angle up to a full opening of 110 degrees.

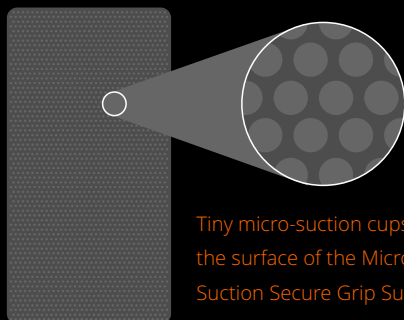

Black-out camera ring meets Apple standards to ensure optimal camera operation.

The magic of Mia's Micro-Suction Secure Grip Surface.

Using micro-suction technology, the Mia's special interior surface is able to securely hold contents in place, preventing shifting and damage even when dropped or shaken. All without the need for adhesives or magnets.

Tiny micro-suction cups cover the surface of the Micro-Suction Secure Grip Surface.
