

Press Release

Miami, FL (April 2014) – Inspire WiFi is pleased to announce the hiring of Matthew Allison to the company’s expanding national sales team. Effective immediately, Mr. Allison will serve as the Director of Business Development.

Matthew will be responsible for sales development of the multifamily, hospitality, and healthcare divisions. This includes customer relationships, national account management, forecasting and various other functions key to managing Inspire WiFi sales.

“With the addition of an experienced sales professional like Matthew, Inspire WiFi is excited to continue broadening our reach while serving the needs of our customers through top sales personnel,” said Steven Scheck, Vice President of Inspire WiFi. “Matthew will be a tremendous leader for all our divisions.”

Mr. Allison comes to Inspire WiFi with many years of sales experience. At his previous company he contributed to 8x growth, implemented training and performance programs, cultivated new strategic partners, and advised various distribution channels.

“Inspire WiFi is a great company that’s on the move. I’m excited to be part of the management team and be a part of the amazing potential IWF has.” stated Mr. Allison

Matthew is a graduate of Morehouse College and Florida International University. He is trained using the Sandler Selling System® methodology. In his free time, he enjoys basketball, tennis, running, travel, and reading.
