

SNAPBUILD™

3|SHARE's development and deployment automation tool for AEM (Adobe Experience Manager).

VALUE REALIZED

REDUCE IMPLEMENTATION TIME

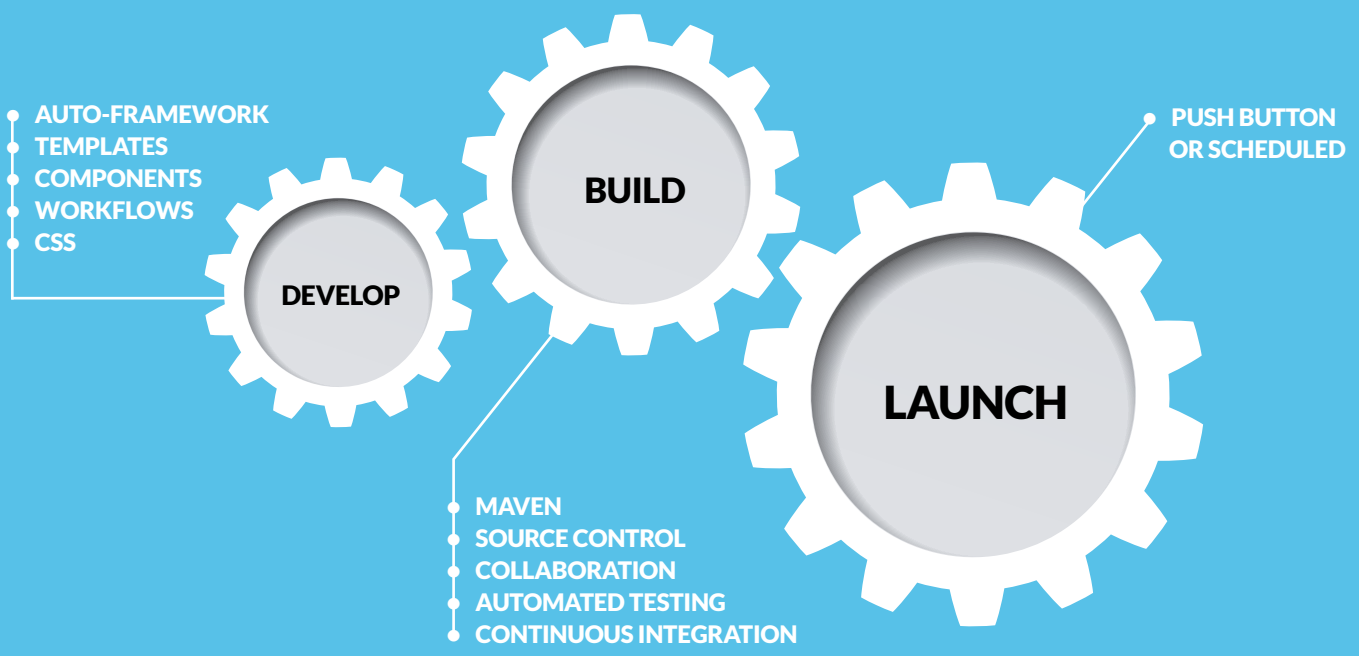

INCREASE DEVELOPER PRODUCTION

MAXIMIZE SYSTEM STABILITY

AUTOMATION AUTOMATED

SnapBuild is a turnkey, best practices based AEM development and release automation tool-set that increases project velocity while reducing risk and cost associated with complex AEM implementations.

KEY BENEFITS

REDUCES TIME FOR DEVELOPERS TO RAMP ON AEM

The SnapBuild Auto - Framework handles the AEM heavy-lifting so you can focus on what you do best. Delivering an amazing customer experience.

ALLOWS DEVELOPERS TO USE ECLIPSE

Why learn a new set of tools when you can leverage the power of a mature development device?

REDUCES TIME TO UPGRADE

SnapBuild version switch technology allows AEM users to seamlessly upgrade from earlier versions of AEM.

ALLOWS APP LEVEL CODE RELEASES

Release code for specific apps, sites or projects independently of each other and on a single AEM instance.

PROVIDES TURN-KEY AEM BUILD ENVIRONMENT

Build it yourself? Here are the ingredients: time, money, patience...repeat. Short on any of these? Get SnapBuild.

ALLOWS ORGANIZATION TO SPEND TIME ON DEVELOPING NOT BUILDING.

SnapBuild exists to keep the work flowing and keep your team from getting hung up on remedial tasks.
