always-on

A revolutionary new approach to the ~~annual~~  
employee engagement survey

Thymometrics provides cloud-based, always-on surveys. Our flagship product, the Employee Thymo, illustrates and analyses your employees' views, not just once a year, but in real-time and at any time as these views change.

## Key highlights include:

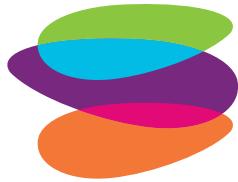

- Simple-to-use survey, takes just seconds to complete
- Always-on technology means your survey runs 24x7 throughout the whole year
- Captures fine detail of opinion
- See trends immediately in response to changes, events and announcements
- Real-time access to broad and deep analytics
- Anonymous communications suite enables two-way dialogue on factors of engagement
- Simple to set up and minimum administration required
- Competitive costs typically lower than traditional surveys
