The retreat opened its doors on September 6th, 2013 to serve approximately 1000 warriors and family members each year.

John Hart, owner of [Start Skydiving](#), and founder of Team Fastrax, said "We are honored to be performing at such an exciting and patriotic event. Members of Team Fastrax have served the United States of America as part of the Armed Forces, many in combat, so we understand the importance of retreats like Boulder Crest, and the support they can provide to our veterans and their families."
