Some Gave All in Their Service to the Country

So once a year on Memorial Day Weekend we should honor those who fell in service to our Country

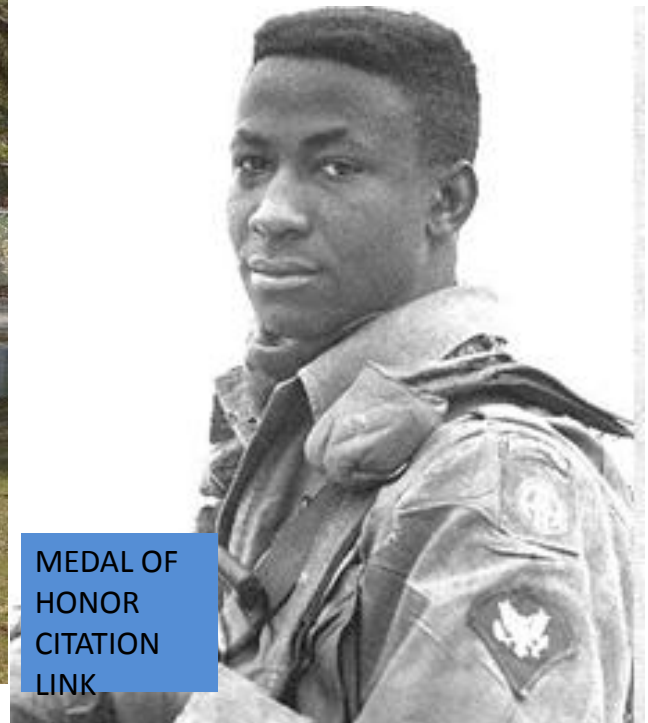

Many of the casualties of the Vietnam War were young and single. They had no children. Their parents are gone and their siblings are aging. Hopefully, you will stand in the gap and join together with others. This is an opportunity to instill a deep appreciation for those who made the ultimate sacrifice in service of their country. Share the experience with a young person, provide flowers or greenery, post photos on the Vietnam Memorial Wall website, and encourage families and friends to make decorating the graves an annual tradition.

The hope is that a new legacy of remembrance starts this Memorial Day and continues for many years to come. Who will be there to remember?

Most of the Fallen in Vietnam buried at Barrancas are from Northwest Florida. A detail list with a link to the Vietnam Wall Database for each of the fallen follows.
