Make The Play!

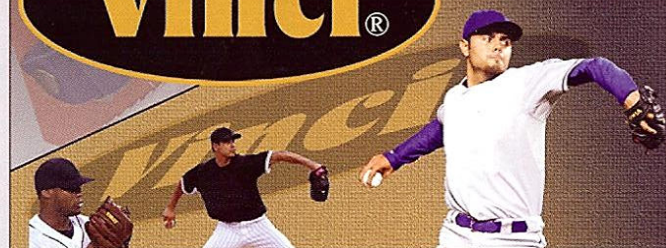

Benjamin Vinci

Since 1997, Vinci has been a manufacturer of high-quality baseball and softball equipment. The company was founded on a promise that a son once made to his father, stating that "One day, your name will be in the Big Leagues." Pete Vinci, the founder and President of Vinci, made this very promise to his father -- Our Hero -- Benjamin Vinci. You will see our hero's signature on every Vinci glove as a tribute to the memory of a great man who continues to inspire those who knew him on a daily basis. After watching his father battle Lou Gehrig's Disease for many years, Pete realized the meaning and importance of family. He carries this knowledge with him every day and runs Vinci on the core values of honesty, quality and integrity. He inspects every glove before it goes on a shelf. Each Vinci product has a unique model number that contains the initials of special family members or friends who have been there for the Vinci family through the years. When you wear a Vinci, you are part of our family.
