### New - Hauser Pharmaceutical

We have received a multitude of compliments on the look of our website and the ease of navigating around it; and our business has greatly increased ...currently averaging five to seven new accounts each week!

### Joe Pizik Electric

We started using your services a year ago for our advertising needs for website design. Results have been excellent, business has increased greatly. We have received many compliments on our website you designed for us.

### Gary's Catering

Our partnership with Target Marketing..has been the most successful alliance in our history. The online marketing programs designed & managed by the Target Marketing team has been the most effective driver of new customers to our website, Since our affiliation with TMS...our online presence has grown tenfold!

### Zimmerman Law Offices

Target Marketing is a truly service based organization and my company has benefited greatly from not only their service but from their expertise in online marketing. They have developed a powerful web site for my firm at a very reasonable price and now I am competing with much larger firms. Target Marketing has efficiently targeted our market and expanded our business.

### Brighton Hospital

Today, in the midst of economic turmoil and uncertainty...we are doing better than we ever did in the "good old days." There is only one difference: Target Marketing Solutions...you think ahead; you have shown us that every dollar we are spending with you is coming back to us many, many times over. In this regard, your performance has been particularly stellar.

### Detail Troy

Target Marketing has been excellent to work with and have delivered on everything they promised. My business

has exploded, and we can track virtually all of the new business to the website. I have even attracted business from outside of our primary service area because they liked what they saw online. I give TMS my highest recommendation.

### Russell's Technical Products

You have designed for us a truly effective web presence that fully compliments our

marketing initiatives. Your company's expertise has given us a marketing tool that provides us with an advantage over our competition in the market place in which we compete.
